“ Dear Sue: Thanks to a tip from Les Keute, Jerry "Ace" Bleick today found Steve's obituary on the internet. Needless to say, the news of Steve's passing came as a shock to both Ace and me. Please accept my deepest sympathies. I hope you keep in touch via your Hearts of the West email address. Steve and I went back a long way. He will be sorely missed. Randy Kroening

Dear Sue and family: I was deeply saddened today when I saw Steve's obit in the Journal. My heartfelt condolences to you all. Steve and I go back a long way. We meet in "58" or so and hung out though "66" and later. We never kept in touch enough but he was always in my heart. We talked about getting together if and when we came your way but it never happened. I am glad we had the opportunity to be friends. I will cherish those memories.and I will miss him. Keith Lange
