“ *My best memory of Uncle Terry is when my dad, sister and I went up to Wisconsin for Uncle Terry's birthday. He showed us all around the farm and the surrounding area. We got to watch the circus train to come through town, have a look at a maple syrup facility, and hang out at the local bar just chatting. Since we lived in Colorado we would only see Uncle Terry for Christmas Eve and the family BBQ in the summer when they came to town. So this trip was the most time I had spent with my Uncle and it was a great time. I wish we could have spent more time together recently. You will be missed.*
