“ *My condolence's to the family. We met Tom in 1998 when visiting Victorian Estates. He was one of the original homeowners. He and two others took us into there homes and answered our questions about the develoment. Before we left the next day we had a deposit on our lot. We always had good conversations even after he sold his home. Rest in peace Tom and be sure to carry on the conversation with my wife who is in heaven with you.*
