“ *I remember inviting Troy up north to our cabin to go deer hunting (he had never been) but was curious to try to see what all the hoopla was about. I believe it was the first day of the season and he shot a deer. I'll never forget him saying "there's nothing to this deer hunting". He loaded his deer up and headed for home that same day and really never wanted to go again. He certainly was a "Stan up" guy and Kathy and I considered Troy and Peggy friends. Our condolences go out to Peggy and the family.*
