“ To me, Unique was known as Unicycle ☐ It was my nickname for her and she loved it. Unique was such a kind person with a huge heart. I never seen her without a smile on her face! I met Unique thru my niece, Lexy, who was her best friend. We all loved her and considered her apart of our family! She was beautiful inside and out and I'm going to miss her so so much 😭☐☐

“ Unique was a huge apart of my life for many years now. I'll never forget all the crazy time we had together. Unique was like an older sister to me, she was always there when I needed anything. This one definitely hits differently...
