“ I only met Virginia twice, however I really liked her. She had a nice smile, and a great laugh. The best thing I remember about her advice, when discussing whether we should stay at our home until it would get sold. Virginia's response was "Enjoy your home as long as you can." She had a positive attitude, and was a very strong lady. We will always think of her with love. Chuck--Our prayers and love are with you! Judy Ellis
