

## Virginia Griffin

December 27, 1927 - January 5, 2012

Today we mourn the passing and try to begin a new chapter celebrating the life of our beloved, Virginia Griffin, born December 27, 1927, at 84 years of age. Virginia will always be remembered as a caring, giving, supportive and strong-willed woman who could accomplish anything she set her mind to do. She was such a great role model and influence to so many who had the opportunity to be a part of her life. Virginia was a loyal wife, mother, grandmother and truly special great-grandmother to her beloved family. Virginia spent many dedicated years with South Western Bell Telephone before finally retiring in St. Louis, MO. She and her late husband, Jim Kiefer, then relocated and built their retirement home in the Prescott Country Club, Dewey, AZ. She and her husband, Bill Griffin met after being widowed, fell in love and spent 11 wonderful years together playing golf, traveling and enjoying the comforts of life with their extended families. She is survived by her husband of 11 years, Bill Griffin; daughter, Janet de Nu; son Ray; step children: Jim, Leonard, Anne Marie and Donald; grandchildren: Mike, Jeremy and Kelsey; and her pride and joy, her great-grandchildren: Ashley, Jeremy, Jordan and Hudson.

“ Virginia, thank you for your sense of humor, your strength, and for the caring support in talking with me about life. Thank you for touching my life. I did not know you as well as a close friend would, however, you treated me as a friend. Rest well.

“ Dearest Bill  
We remember introducing you and Virginia, but only to play golf together. And then how silly Virginia got, when things turned "serious". She was like a sixteen year old with her first serious crush.  
We know you will sorely miss her as we will. She was a special lady with glimmering white hair and a beautiful smile.  
You are both in our hearts and prayers.

“ *Virgina was always admired and loved by so many, but I thought she was beautiful because of her height and voice. To top that she was my cousin.*

*I was interested also because she was a SWBT employee! I worked for them twenty-five years.*

*Brisn and I want you to know she was a lovely lady and interesting to talk to as well.*

*With our Love,*
