“ *My sympathy to Helen and family. I enjoyed Bob's energy and humor when we worked together at the Sioux City Public Library. I'm sure you had many laughs together after moving to Arizona.*

“ *We read with regret and sadness of Bob's passing. He and Helen were very good friends of ours and our children. We played cards and carried on conversations in Sioux City over several years before Bob & Helen moved to Arizona. Bob had a great sense of humor and storytelling that will always be remembered fondly. Bob was a good man and we will miss him.*

*Love; Gay & Jennie & the family*
