“ We go through our days with a heavy heart after hearing of Wayne's passing. He was a good friend to Jerry, and one of the most polite, gentle men I had ever met. Our thoughts and prayers go out to Teresa as you deal with this sad loss We shed tears for his passing from this earth but on the other side they welcome and embrace him.

“ My sister Teresa and Wayne had been together for 7 years. She thought the world of him. I remember meeting Wayne the first time and I was shocked to see there are still a few curious men still out there. He opened the door for me, called me "Mam" (which I wasn't used to)and shook my hand like he really meant it. He was super kind and curious. He treated my sister with love and respect. Her heart is broken but in time will heal. The loving memories will last forever. Rest in Peace Wayne and watch over my sister.

“ Wayne always knew how to make people feel special... I used to watch Wayne & Teresa interact with each other on any given day, and witnessed a Love Like No Other I have seen before. I know Wayne is watching over her and will never be seperated by time or space... We will all miss you Wayne, but also have the comfort of knowing your contageous smile is only a thought away...
